### Summary of reasons for decision:

'Control: Ultimate Edition' is a video game comprising 'Control' and its two expansions titled 'The Foundation' and 'AWE'. 'Control' was originally classified R13 with a note for violence, horror scenes and offensive language (OFLC Ref. 1900347). The additional content in 'Control: Ultimate Edition' increases the extent of violence, horror scenes and offensive language, but is consistent in both manner and degree to the base game. As a result there is nothing that requires an alteration to the classification or descriptive note given to the previously released version.
